PROFILE

Learning Experience Designer and Instructional Designer with 20+ years of experience designing and delivering language and compliance training. PhD candidate at the Universitat Politècnica de València (UPV, enrolled 2026–2027), researching human versus AI/LLM metadiscourse in short-form teaching content on social media and frameworks for teaching responsible AI use in mobile learning. Builds on a corpus-based master's thesis on metadiscourse (10/10) and concurrent practice designing governed AI tutors, CEFR-anchored curricula, and audit-ready compliance courses. CELTA-qualified; Cambridge C1 Advanced; accredited DELE Examiner (Instituto Cervantes).

EXPERIENCE

Learning Experience Designer & Instructional Designer — Self-employed, Spain (remote) · 2019–present

- **TK CoachAI** (in development, private) for Talketika (app owner; software by Orkelia) · July 2026–present. AI voice tutor for business English. Designed the CEFR learning architecture, the MLLDE implementation, and the knowledge bases, prompts and guardrails of six AI agents. Under the principle "Measure, Not Decide", the AI returns evidence against human-written descriptors, code computes every number, and a teacher decides. Design audits led to Evaluator v2 (November 2026). Internal pilot data (14 August–4 November 2026): 2,536 xAPI statements and 147 completed sessions; the audit confirmed the scoring formula in 106 of 106 sessions.
- **Academic Writing Journey (AWJ)** · 2026. Six-level gamified course in academic English (B2→C1), built with SAM and IPO cycles and a full High-Level Design Document. Scored 10/10 in a UPV master's subject (instructional design + web accessibility), with zero navigation errors in usability testing. Two versions: Articulate 360 rebuild (current): https://share.eu.articulate.com/j4RSSNY_EBEU45jOwyQbM · HTML prototype (previous): https://profeanaeslavaedtech.github.io/Gamification/
- **Chemical Spill Response SOP** · compliance/EHS microlearning built from a procedure (SOP) for a regulated setting: job/task analysis with DIF, measurable objectives, a zero-error mastery gate, a Kirkpatrick L1–L4 evaluation plan, SCORM 2004, cmi5 and xAPI evidence trails, plus a job aid and checklist, in English and Spanish. https://profeanaeslavaedtech.github.io/eLearningportfolio/pharma-compliance-course.html
- **Netex Learning** · June–September 2025. Corporate training redesign.
- **Madarina Spanish** · July–December 2024. Conversational Spanish curriculum, CEFR A1–B1.
- **Human–AI governance model**: a documented co-authorship model with a decision-ownership matrix; disclosure aligned to EU AI Act Art. 50.

Spanish Tutor (AVE Global) & Accredited DELE Examiner (A1–B1) — Instituto Cervantes · 2021–present (remote)

Personalised Spanish learning paths and CEFR-aligned digital resources on AVE Global; standardised DELE assessment (A1 for schools, A2/B1).

English as a Second Language Teacher — CBS, The British School of Seville · September 2021–September 2024

Cambridge exam preparation, B1–C1.

Language Teacher — ESL, Cambridge & DELE — Various institutions · July 2004–present

20+ years teaching English and Spanish to adults, in person and online (incl. virtual instructor-led training, vILT); CEFR-aligned paths and rubrics; preparation for Cambridge B2 First and C1 Advanced and for DELE.

Lecturer in ESP and Scientific English & Scientific Content Writer — Universidad de Oriente (UDO), Margarita, Venezuela · 2007–2012

Taught English for specific purposes to adults in hotel/tourism, marine biology and accounting programmes; trained non-education professionals as university teachers. Wrote and reviewed English-language scientific content (dentistry, marine biology) for high-impact peer-reviewed journals. Acknowledged for the English and scientific content of Sotelo-Casas et al. (2019), *Estuarine, Coastal and Shelf Science* (Elsevier).

EDUCATION

PhD, Languages, Literatures and Cultures and their Applications — Universitat Politècnica de València (UPV) · enrolled 2026–2027

Research: a mobile-learning design framework examining human versus AI/LLM metadiscourse in short-form teaching content on social media, and how to teach responsible AI use. Supervision: Prof.ª Mª Luisa Carrió-Pastor (director); Prof. Ricardo Casañ-Pitarch (co-director).

Master's Degree in Languages and Technology, Didactics specialisation — UPV · September 2025–July 2026 · GPA 9.53/10

Master's thesis: *"Disciplinary Variation in Metadiscourse Use across Master's Thesis Abstracts"*, supervised by Prof.ª Carrió-Pastor. Hyland (2005) taxonomy applied to 6 subcorpora (180 English abstracts, 18,000 words, 920 markers). Graded 10/10. Published as an interactive corpus data book: https://profeanaeslavaedtech.github.io/Databook/

Licenciatura en Educación, mención Inglés (University English Teaching, curriculum specialisation) — Universidad de Los Andes (ULA), Táchira, Venezuela · 1999–2004 · Summa Cum Laude

Recognised in Spain by the Ministerio de Universidades (2018–2020).
